Who We Are

Solved MedCare is a leading medical billing company dedicated to providing comprehensive Revenue Cycle Management (RCM) services. With years of expertise in the health-care industry, we specialize in streamlining billing processes, reducing claim denials, and improving cash flow for medical practices of all sizes.

Solved MedCare offers comprehensive, cost-effective billing and revenue cycle management (RCM) solutions, guiding healthcare providers through every process phase, from Eligibility Verification to Claim Denial Management. Our trusted medical billing services ensure optimized revenue flow and improved financial health for practices nationwide. Experience seamless billing with the expertise only 25 years in the field can provide.

Solved MedCare has stood as a beacon of innovation and reliability in medical billing for over a decade. Our service at Solved MedCare streamlines your billing process and boosts revenue. Eliminate in-house coding (and its costs) with a dedicated billing team assigned to your practice.
